Avocado Oil

Helps get rid of dead skin cells

Known as “forest butter”, containing abundant oleic acid and vitamins. Helps leave your skin feeling smooth. Great care for especially dry skin as it moisturizes and nourishes the skin.

Olive Oil

Helps nourish lips

Olive oil has plenty of uses such as cooking & beauty treatment. It contains skin protecting factors including tocopherol, polyphenols, squalene. It is rich in Vitamin E and unsaturated fatty acid, responsible for maintaining healthy skin. Massage with olive oil improves the condition of dry skin.
